

ASSIGNMENT 1

LIST OF 20 USES OF IOT

- ABB: Smart robotics
- Smart parking
- Noise Monitoring
- Structural Health Monitoring
- Waste Management
- Waste Management
- Structural Health Monitoring
- Water conservation
- Leakage Management
- Ultraviolet Radiation Monitoring
- Medical Fridges
- Patient Surveillance/Remote Patient Monitoring
- Supply Chain Control
- Near Field Communication (NFC) Payment
- Remote Control Appliances
- Smart locks
- Fleet Tracking
- Smart Grid
- Connected Vehicles
- Smart Wardrobe system
